

Sec. 18-56. - Same—Standards of review.

The board shall apply the following standards of review in determining whether to approve an application for certificate of public convenience and necessity:

- (1) Whether the application is complete and meets the minimum requirements of this article, F.S. ch. 401 and F.A.C. ch. 64J-1. This shall not apply to applicants for a Class F certificate.
- (2) Whether a need for the proposed service exists in the proposed service area.
- (3) Whether the municipality, if any, located in the proposed service area has recommended that the board approve the application.
- (4) Whether the local or regional trauma agency created under F.S. ch. 395 has recommended that the board approve the application. This shall not apply to applicants for a Class F certificate.
